

Cy Amundson

With appearances on Conan, Adam Devine's House Party, and Comedy Central's *This is Not Happening*, Cy Amundson is fast-proving himself in the world of standup comedy. After cutting his teeth at ACME Comedy Company in Minneapolis, Cy moved to LA and has since appeared on FOX'S *Family Guy* and *American Dad*.

Cy recently made his film debut in soon-to-be released, *Break Point* and has released his first comedy album, *Lovesick in Toledo* (available on [iTunes](#)).

His stand up effectively manages to challenge the audience while remaining delightfully and positively relatable. Some of Cy's favorite things include Larry Bird, pancakes, and anything Teen Wolf related.
